## WORTHY

Year: 2025

*A poignant visual reminder of self-worth and the vital importance of internal compassion in the modern age.*

### SUMMARY

A poignant visual reminder of self-worth and the vital importance of internal compassion in the modern age. Die argitektuur van selfmedelye Die skepping van WORTHY dien as 'n diepgaande visuele manifest vir die interne handeling van selfgelding. ARJAN SPANNENBURG het hierdie stuk ontwikkel om as 'n stille spieël vir die kyker te dien, wat die dikwels vergeet rede vir vriendelikheid teenoor jouself weerspieël. In 'n wêreld wat dikwels onverbiddelike krag en perfeksie vereis, funksioneer hierdie kunswerk as 'n sagte...

### GENRES

Freedom · Fine Art Photography · Geestesgesondheid · Masculine Vulnerability · Dance

### MATERIALS

#### **Matt plexiglass**

Giclée print Ultrachrome mounted on dibond with Mat plexiglas. This finish is designed for spaces with high ambient light or large windows. The matte surface diffuses light to eliminate harsh reflections, providing a sophisticated, soft-touch finish that allows the image to be viewed clearly from any angle without a "mirror effect."

#### **Framed with Museum Glass**

Fine Art print mounted on dibond and framed with museum glass in a wooden frame. The choice for the traditional collector. This combines a structural Dibond mount with the timeless elegance of a wooden frame. By using Museum Glass, we achieve 99% UV protection and a nearly invisible surface, offering the tactile warmth of a classic frame without the green tint or reflections of standard glass.

**Diasec Anti-Reflex**

Archival pigment print Ultrachrome mounted on dibond with Diasec Anti-Reflex. An exhibition-grade finish that utilises the patented Diasec® chemical bonding process. This creates a permanent, airless seal between the print and a specialised anti-reflective acrylic. It provides the structural "monolith" look of a contemporary mount while ensuring that even under heavy gallery spotlights, the focus remains entirely on the artwork's detail.

**Diasec True-life**

Giclée print Ultrachrome mounted on dibond with Diasec True-life. The absolute pinnacle of art production. This tier uses TruLife® acrylic, an optic-grade material similar to high-end camera lenses. It provides a stunning "liquid" depth and 3D-like colour vibrancy, while simultaneously being anti-reflective, scratch-resistant, and anti-static.

**EDITIONS & PRICES****Portrait 40 x 60 cm**

Limited Edition (8/8 available)

€1,850 (Incl. 9% VAT)

**Portrait 40 x 60 cm**

## OUR ONLINE GALLERY

### Die Stille Krag van Kwesbaarheid

Die outonome werk van Arjan Spannenburg (gebore Texel, 1978) resoneer internasionaal met kurators en privaat versamelaars. Sentraal tot sy fotografie is die soeke na identiteit en selfuitdrukking. Deur kragtige, oorwegend monochrome komposisies, skilder Spannenburg jeugdiges op die drumpel van volwassenheid.

We witness adolescents in a transient, uncertain phase of life. These sensitive portraits capture subjects alone with their thoughts, yet they simultaneously radiate a profound need for communication with the outside world, a search for support, understanding, and love.

Gallery Representation & Exhibitions In addition to permanent representation by ZERP Galerie (Rotterdam), Spannenburg's photography has been selected for prestigious international platforms and events, including:

- PAN Amsterdam
- Kunstlinie, Almere
- Schwules Museum, Berlin
- Paratissima, Italy
- Tongerlohuys, Roosendaal

His works are held in diverse private collections and are often seen in prominent public locations, including the City Hall of The Hague.
